Over the years, our writing service has gained an excellent reputation for its contribution in students’ academic success. Today, thanks to our popularity and spotless image with users, our servers are overwhelmed with clients’ desperate pleas a narrative of the expedition to botany bay/watkin tench of a narrative of the expedition to botany bay/watkin tench “write an … The cadigal people of the botany bay area witnessed the fleet arrive and six days later the two ships of french explorer la pérouse, the astrolabe and the boussole, sailed into the bay. When the fleet moved to sydney cove seeking better conditions for establishing the colony, they encountered the eora people, including the bidjigal clan. The first fleet of 11 ships, each one no larger than a manly ferry, left portsmouth in 1787 with more than 1480 men, women and children onboard. Although most were british, there were also african, american and french convicts. After a voyage of three months the first fleet arrived at botany bay on 24 january 1788.
